

A different school of thought.<sup>SM</sup>

The talent within you can make a big difference around you. But first it must be recognized. At Kaplan University, we customize learning to fit the way you learn, so that anyone with talent can develop it. We're an accredited university, with more than 100 degrees and programs. It's time to rewrite the rules of education. It's your time.

**CWA members and their immediate family** qualify for a **10% tuition discount**. In addition, books and course materials are included in the price of tuition for all undergraduate degree programs.\* Visit [www.cwa7777.kaplan.edu](http://www.cwa7777.kaplan.edu) to request information. For those **CWA members and immediate family** who are servicemembers or veterans, visit [www.militarytc.kaplan.edu](http://www.militarytc.kaplan.edu) for special tuition rates.

\* For undergraduate programs. Not all courses require textbooks; some use electronic instructional materials.
