

Do you know anyone who works for T-Mobile ?

Do your part and let us know!

T-Mobile is a subsidiary of the German telecom company Deutsche Telekom. Almost 100% of these workers in Germany are represented by the union ver.di, one of the largest unions in the world.

CWA and ver.di have joined together to help the T-Mobile workers in America who want to organize. We need your help to reach out to these T-Mobile retail sales reps.

As we bring new members into CWA, our strength in the wireless industry grows. For a powerful union, we ALL must organize.
